Who We Are

Founded in 1989, the Nisqually Land Trust protects and stewards lands to permanently benefit the water, fish, wildlife, and people of the Nisqually River Watershed. Over thirty years later, with our partners we have protected over 10,000 acres between Mount Rainier National Park and the Nisqually Reach in the South Puget Sound. We are the lead nonprofit conservation group in the Nisqually Watershed.

Who Supports Us

From the headwaters of the Nisqually River, near Ashford, to its delta, near Lacey, the Nisqually Land Trust enjoys the support of thousands of Pierce, Thurston and Lewis county residents – business owners, students, professionals, retirees, and colleagues at like-minded partner agencies. All are committed to permanently protecting the rich natural legacy of the Nisqually River Watershed.

About Our Event

Our Annual Conservation Auction is our largest fundraiser and a highly anticipated community event that is well attended by hundreds of supporters every year. Our Conservation Celebration & Auction will be held in-person on

Saturday, May 30, 2026 at the South Puget Sound Community College, Lacey Campus: 4220 6th Ave SE, Lacey WA 98503.

An investment in the Nisqually Watershed is an investment in the greater South Sound community!
