

A Volunteer Celebration in Pictures 2020-2021

Thank you! We couldn't do what we do without you.

We LOVE Our Volunteers!!

This is the work you do:

From pulling Scotch broom
at Lackamas Flats...

To planting trees and shrubs at Powell Creek...

And planting continued with NREP at PCC...

To planting at Yelm shoreline...

Both potted plants and live stakes.

And the CNLM Tree Salvage to close out 2020!

Our Dedicated Volunteers...

And one of their favorite times of year, planting season!

The 2020-2021 Stats:

- **Oct 2020- February 2021 Planting Season** (*planting and tubing native potted plants and trees, live stakes, and bare root plants and trees in various locations throughout the watershed*)
